

Amendments to HR 634:

Amendment # 1:

Amendment in the nature of a substitute

Sec 1. Short title and Findings.

Sec. 2. Reauthorizes the EAC until 2022. The EAC is the only federal agency charged with making elections more accurate, accessible, secure, and efficient.

Sec. 3. Authorizes such sums as necessary for requirements payments to states pursuant to HAVA to be used for the upgrading of security of voter registration processes and databases.

Sec. 4. Tasks the EAC to work with state election officials to perform an assessment of each state's voting systems, including voting machines, to determine if they are adequate for the 2018 election and to submit to Congress a plan to replace outdated machines.

Sec. 5. Requires states to participate in the EAC's Election Administration and Voting Survey (EAVS).

Sec. 6. Requires the EAC to undertake an assessment of the security and effectiveness of the agency's cybersecurity and IT investments. Requires the EAC to undertake an assessment of states' administrative-complaint procedures pursuant to HAVA and make recommendations to streamline procedures to better ensure state compliance with the requirements of the law.

Amendment #2:

Prevents the termination of the EAC until the Commission has administered requirements payments to states to upgrade the security of state voter registration databases and processes.
